True Temper, Grafalloy and Rifle will warranty any current catalog product that breaks under normal use of play and is not due to abuse or improper assembly. True Temper, Grafalloy and Rifle may require visual proof that the shaft failure was not caused by abuse or improper assembly. All consumer warranty shafts are replaced for same product or other of equal or less than value.

Sincerely,

A handwritten signature in cursive script, appearing to read "William F. Lange". The signature is written in black ink and is positioned below the word "Sincerely,".
